Dear Wanda and Melvin,

Grace and peace to you, and welcome to Wellspring Church. It is a joy to welcome you both into our church family.

We are grateful for the journey that has brought you to Wellspring and for the faithfulness of God at work in your lives. It is an honor to walk together as we seek to follow Jesus, grow as disciples, and live out the mission God has entrusted to his church.

At Wellspring, we desire to be a community rooted in worship, discipleship, and genuine Christian fellowship. My prayer is that you will feel at home here, experience meaningful relationships, and find encouragement and purpose as you continue to grow in faith and service.

Please know that you are always welcome to reach out if there is any way I, or our leadership team, can support you. We are thankful that you have chosen to make Wellspring your church home and look forward to all that God will do in and through you as part of this community.

Welcome to Wellspring. We are truly glad you are here.

Grace and peace,

Matt Ayars
